Students in Computing Meeting Minutes
Feburary 7th, 2017

Start Time: 5:30

Agenda Items:
igniteCS
- Raena from the NMSU CTiK12 Program came to speak to us about an undergraduate grant with Google (igniteCS)
- The program would focus on sparking passion and interest for CS in high schools through mentoring and CS education
- **Teaching CS skills by making games with students in Unity**
- Undergraduate students would teach in a workshop throughout the month of April (days TBD, possibly Tu/Th)
- **Incredible resume builder and potential for payment**
- More information at: https://ignitecs.withgoogle.com/
- **If you are interested please email Raena Cota at gk12@cs.nmsu.edu**
